

What's On

This **May newsletter** is sent to all members of the Matlock Area u3a who are registered as current members on the Beacon database and for whom we have an email address.

This is a plain text version ...if you want to see it in full colour with the new u3a logo and pictures then please open the attached pdf version.

Coffee Morning

Our last online coffee morning will be on

Monday 10th May at 10.30a.m

We will be looking forward to local theatre productions during the summer, and discussing "What's next for Matlock Area u3a" in the chat rooms.

Zoom invitations will be sent to all members closer to the date and we hope you will be able to join us.

As the weather improves and activities get started again, we will then take a break until the autumn when, you never know, we may be able to have face to face coffee mornings.

Bowls 2

The Bowls 2 group plan to start up activities again as soon as possible after May 17th. This group meets at Matlock Bath Bowling club on Monday mornings.

Outside exercise, socially isolated in small groups, bowls is an ideal activity for post-Covid.

, Bowls and training can be provided. All you need are flat shoes. Places, however, are limited so if interested contact Mike Frosdick at [Bowls 2](#)

International Folk Dancing

The ever determined dance group are back dancing again, this time in groups of six in two different gardens. It is encouraging to see how inventive groups have been in order to keep going, and let's hope the summer brings more possibilities.
